

# CERTIFICATE OF ANALYSIS

## ProteanFect Max Transfection Kit

### 1. Product Information

---

Product Number PT02

Shelf Life 1 Year

---

Shipping Condition Dry Ice

---

PT020010A 0.1 mL

PT020020A 0.2 mL

Package Size PT020050A 0.5 mL

PT020100A 1.0 mL

PT020500A 5.0 mL

---

### 2. Testing

---

#### Contamination

Material has been filtered through a 0.2  $\mu$ m filter.

Result: Meets Specification

#### Analytical Testing

Product has been tested by SEC, quantitative HPLC, and functional measurements.

Result: Meets Specification

---

### 3. Quality Assurance Statement

---

This product has been thoroughly tested and meets quality standards.

---
