

CERTIFICATE OF ANALYSIS

ProteanFect CRISPR Cas9 Gene Editing Transfection Kit

1. Product Information

Product Number PT04

Shelf Life 1 Year

Shipping Condition Dry Ice

PT040010A 0.1 mL

PT040020A 0.2 mL

Package Size PT040050A 0.5 mL

PT040100A 1.0 mL

PT040500A 5.0 mL

2. Testing

Contamination

Material has been filtered through a 0.2 µm filter.

Result: Meets Specification

Analytical Testing

Product has been tested by SEC, quantitative HPLC, and functional measurements.

Result: Meets Specification

3. Quality Assurance Statement

This product has been thoroughly tested and meets quality standards.

For Research Use Only. Not for use in diagnostic procedures.
