

# CERTIFICATE OF ANALYSIS

## ProteanFect CRISPRMax Cas9 Gene Editing Transfection Kit

### 1. Product Information

---

Product Number PT05

Shelf Life 1 Year

---

Shipping Condition Dry Ice

---

	PT05-0010A	0.1 mL
	PT05-0020A	0.2 mL
Package Size	PT05-0050A	0.5 mL
	PT05-0100A	1.0 mL
	PT05-0500A	5.0 mL

---

### 2. Testing

---

#### Contamination

Material has been filtered through a 0.2  $\mu$ m filter.

Result: Meets Specification

#### Analytical Testing

Product has been tested by SEC, quantitative HPLC, and functional measurements.

---

Result: Meets Specification

---

### **3. Quality Assurance Statement**

---

This product has been thoroughly tested and meets quality standards.

---

*For Research Use Only. Not for use in diagnostic procedures.*
